Professional Summary

Future A grade electrician with excellent communication skills. I work well with others, while skilfully making independent decisions. You'll never find me with my hands in my pockets or my eyes on Facebook or Twitter. I prefer to ask questions rather than make needless mistakes and can follow directions to complete a task in a timely manner.

Work History

Crew Trainer – 02/2012 – Current
McDonalds – Brunswick

Starting out on grill, I used my initiative and customer service skills to work my way up to crew trainer over the last 3 years. I now train all new staff on all aspects of working within McDonald's stores.

Technical Assistant, 12/2014 to 02/2015
C&S Electrical Port Melbourne

Worked with an A-Grade electrician on residential installations:

- Rough in new student accommodation (280 apartments)
- Fitt off light and power
- Cutt out
- Site clean up
- Tool preparation
- General observing all electrical work

Education

Princes Hill Secondary School
VCE Yr 11 and 12
2014

NECA Education and Careers Training Facility
Certificate II in Electrotechnology - Current

Thank you for reviewing my resume.
